GEZE

PRODUCT FEATURES

→ Combined activation of doors and windows using a remote control

→ Encrypted communication via rolling code with up to 74 trillion code combinations

→ Custom and reliable teach-in to exclude unauthorised activation

→ Available in 1, 2, or 4 channel versions

→ Doors can be controlled over great distances even through walls

→ With two outputs to which individual receiving modules can be taught in

→ Integrated dip switch for selecting different modes of operation, e.g. press the button briefly for "open door" and press button longer for "hold door open"

→ LED function indicator for battery and transmission check

→ Radio range up to 30 m inside the building

TECHNICAL DATA

Productname	WTH *
Dimensions	78 x 51 x 15 mm
Operating current	45 mA
IP rating	IP54
Type of installation	Wall
Transmission frequency	433.93 Mhz
Service temperature	0 - 50 °C

VARIANTS / ORDER INFO

Designation	Description	Ident-No.	Dimensions	Operating voltage	Type of installation
WTH-2 remote control, 2 channel *	with wall fixing and IP rating IP54	131210	78 x 51 x 15 mm	12 V DC	Wall
WTH-4 remote control, 4 channel *	with wall fixing and IP rating IP54	131211	78 x 51 x 15 mm	12 V DC	Wall
WTH-1 remote control, 1 channel *	with wall fixing and IP rating IP54	131209	78 x 51 x 15 mm	12 V DC	Wall
